

EXPERIENCE

Design Manager

More Contract & Ant Yapi | Feb 2020 - Present | www.aman.com

- Led the design process, documentation, and quality control at the most luxurious hospitality project in Manhattan, Aman New York.
- Collaborated with designers, consultants, and contractors.
- Participated in on-site meetings, optimized decision giving processes.
- Accelerated execution process by reviewing drawings & documentation, writing reports, conducting site visits, and surveying.
- Assessed custom furniture and millwork designs, and managed interior design installations.
- Researched and selected FF&E and FF&A for the project.
- Reduced project duration by ~10% by giving strategic design decisions.

Architectural Designer, Project Manager

Cactus | Jul 2018 - Feb 2020 | www.cactus.is

- Designed tech and media-driven healthcare, office, and retail spaces with a multidisciplinary team, including creative technologists, visual designers, and engineers.
- Generated innovative solutions to solve complex technical and design challenges by using digital fabrication technics.
- Independently drove architectural design projects in different scales from start to finish.
- Created schematic drawings, program-layouts, sketches, plans, renderings, and construction documents. Formulated design presentation strategies and made client presentations.
- Managed interior installation projects: visited site, conducted surveying, and prepared construction documentation.
- Doubled the design team's productivity by creating scalable design guidelines for the company.

Architectural Designer

Leeser Architecture | Mar 2018 - Jul 2018 | www.leeser.com

- Led the design process of the International Xiomeisha Ocean World Competition. The project is awarded with 2nd Prize.
- Developed architectural drawings, 3D renderings, and architectural animations.

Co-Founder, Lead Architectural Designer

Informa Architecture | Jan 2015 - Aug 2017 | www.informa.co

- Developed concepts, set the initial design direction and gave critical aesthetic decisions.
- Created 3D Renderings and visualization for client presentations.
- Led presentation strategies and pitched architectural concepts to local & international brands. As a result of impactful client presentations, the company closed the deal with a high-end local chain restaurant and global companies like Hasbro and Subway, increased the company's revenue by ~400%.

Architectural Designer

Tabanlıoglu Architects | Nov 2013 - Oct 2014 | www.tabanlıoglu.com

- Conceptualized design, created 2D and 3D visualizations, client presentations, and construction documents for the largest transit design project in Istanbul developed by Istanbul Metropolitan Municipality.

Architectural Designer

Self-employed | May 2008 - Nov 2013

- Coordinated conceptual design, prepared 3D modeling/rendering, and construction documents for several educational and cultural facilities in collaboration with Karabey Limited Architecture.
- Designed and visualized check-in counters for Sabiha Gokcen Airport as a designer at Tekeli Sisa Architects.

EDUCATION

GAUD MS. in Architecture
Pratt Institute | 2017-2018

M.Sci. in Architectural Design
Istanbul Technical University | 2012-2015

B.Arch. in Architecture
Minor in Urban Design
Mimar Sinan Fine Arts Uni. | 2005-2012

SKILLS

Software

Adobe CC, Autocad, SketchUp +Vray, Rhino+ Vray, Lumion, Keyshot, Revit, 3ds Max

Methods

Architectural Detailing, 3D Modelling/ Rendering, Design Management

Fabrication

Rapid prototyping, 3D Printing, Laser Cutting, CNC milling, Model Making

AWARDS

2nd Prize

Xiaomeisha New Ocean World
International Competition | 2018

Mention Prize

Halys River Bridge Competition | 2016

1st Prize

Natural Stone Design Competition | 2015

3rd Prize

Duzce University Campus Master Plan
Competition | 2015

Mention Prize

Bursa Municipality Orhangazi Square
Urban Design Competition | 2012

1st Prize

Archiprix TR Graduation Projects
Competition | 2012
